Caledonia Historical Society's Restoration Celebration

Saturday, May 20, 2006
11:00 AM - 1:00 PM

Linwood Park
Five Mile Road
Caledonia, WI

With the widening plans of Highway 38, the 1877 Old Caledonia Town Hall was in danger of meeting the wrecking ball. Due to the efforts of the Caledonia Historical Society and a \$25,000 donation from Vulcan Materials Company, we are now able to celebrate the Old Town Hall at its new home in Linwood Park.

ABOUT VULCAN MATERIALS:

Vulcan Materials Company (NYSE: VMC), a member of the S&P 500 Index, is the nation's foremost producer of construction aggregates: primarily crushed stone, sand and gravel, and a major producer of other construction materials required by the U.S. and local economies. The Midwest Division is headquartered in Lombard, Illinois, employs 650 people and operates 25 quarry and sand & gravel locations along with an additional 11 other associated aggregate production, sales and distribution facilities in Illinois, Indiana and Wisconsin. For additional information about Vulcan Materials Company, see www.vulcanmaterials.com.
